[VIEW PRODUCT](#)

[VIEW FULL COLLECTION](#)

# GARDEN TOOL SETS

Does your partner enjoy gardening? Consider these an all-in-one kit options with everything they need to maintain their garden more easily.

**Please note:** Some of the tools can be sharp! Supervised use may be necessary for your partner.

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

# GARDEN SEAT AND KNEELER

Does your partner enjoy gardening? Consider this garden kneeler and seat to help them stay comfortable, supported, and steady while they tend to their plants.

[VIEW PRODUCT](#)

# ADAPTIVE COOKING SUPPLIES

Help make baking and cooking more accessible for your person with dementia with adaptive cooking supplies.

Featured below is: Cookie Baking and Gift Set (top left), Mixing Bowl Set with Handles (top right), Large Print 10 Piece Spoons and Measuring Cups (bottom left), Food Kitchen Scale with Bowl (bottom right).

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

# RECIPE BOOK

A great gift option for someone in the early stages of dementia who is an excellent cook with great recipes to share. Capture their recipes while they are still able to share. Features thick, non-smudge cardstock and a simple linen cover.

[VIEW PRODUCT](#)

# MINI FLOWER POTS

Resin mini flower pots to brighten up the space of any plant lover.

Please note: The plant is NOT included.

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

# INDOOR GOLF

This portable golf mat is ideal for people with dementia who have enjoyed golf but can no longer visit the range. Its lifelike turf and auto ball return system provide an engaging way to practice putting skills from the comfort of home. The compact, easy-to-set-up mat offers a familiar and enjoyable activity, bringing the experience of golf to a safe, accessible indoor or backyard setting.

[VIEW PRODUCT](#)

# EYEVAC HOME TOUCHLESS VACUUM

Once you turn it on, this hands-free vacuum stays ready and uses infrared sensors to detect when you're sweeping with a broom, automatically switching to vacuum mode. It effortlessly sucks up dust, dirt, debris, and hair. Plus, it has a bagless canister that's simple to empty, and an indicator light to let you know when it's time to do so.

[VIEW PRODUCT](#)

# SWIVEL TABLE WITH STAND ASSIST SAFETY HANDLE

An adjustable multi-use table that measures 16"x18" and includes a built-in cupholder and utensil holder with an ergonomic safety handle. It features a 360-degree swivel. The ergonomic safety handle can support up to 250 lbs. The table itself can support 30lbs. It can be installed under the feet of most four legged chairs or sofas, including lift chairs and sofas.

[VIEW PRODUCT](#)

# DIGITAL REMINDER CLOCKS

Digital reminder clocks can empower individuals living with dementia to achieve greater independence. They accomplish this by providing customizable alerts, ensuring that essential daily activities remain on schedule, enabling users to focus on what matters most. Some devices go a step further, allowing caregivers to send, manage, and monitor reminders, messages, notes, and upcoming events. Others can alternatively serve as a digital photo frame as well.

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

# DIGITAL PHOTO FRAME

A 10.1-inch IPS touchscreen frame with a 1280x800 display and wide viewing angles. It pairs with the “Frameo” app on Android or iPhone so family and friends can send photos or short videos straight to the frame from anywhere. The frame auto-rotates, holds thousands of images with 16GB of built-in storage, and supports microSD for easy importing. Makes a great anytime gift.

[VIEW PRODUCT](#)

# MUSIC PLAYERS

Music gifts can offer comfort, connection, and easy engagement for people living with dementia. The Vinyl Record Player Suitcase (left) adds a nostalgic touch with its portable design and built-in speakers. The Relish Radio and MP3 Player (top right) keeps things simple with preset buttons and familiar stations or playlists. The Simple Music Player by Healvaluefit (bottom right) provides an intuitive setup for stress-free music or audiobooks

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

# AMAZON ECHO SHOW 5

The Echo Show 5's 5.5" display allows easy access to news, video calls, music, and smart home controls, all in a compact design with improved sound. Its built-in camera makes it simple to check in on family or pets, while customizable photo slideshows keep loved ones visually connected.

[VIEW PRODUCT](#)

# FLIPPER BIG BUTTON UNIVERSAL TV REMOTE

Designed to replace multiple remotes, it works with all major TVs and set-top boxes, combining TV and cable control in one device for simplified viewing. You can program up to 25 channels. It is designed solely for seniors with large color-coded tactile buttons for easy use. It can help your partner manage their entertainment independently, reducing caregiver time.

[VIEW PRODUCT](#)

# BIG BUTTON PHONE

Corded landline telephone uses big numbers and large one-touch photo buttons to make calling familiar contacts more straightforward for someone with dementia. The adjustable ringer and handset volume, along with a flashing call light, help make incoming calls easier to notice. It works through a standard phone line and doesn't require batteries, keeping setup simple.

[VIEW PRODUCT](#)

# TALKER BUDDY

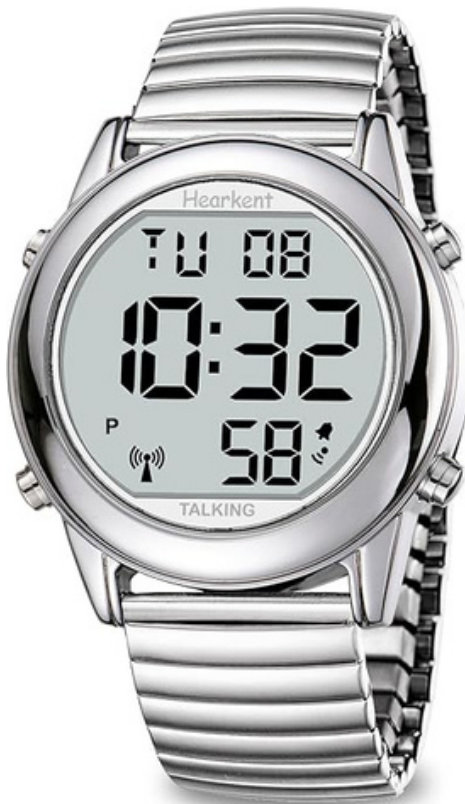

The Talker Buddy is a versatile communication device designed for easy use, with a soft-touch button layout. It includes a customizable recording feature, allowing users to add personalized phrases or familiar voices for more meaningful interactions. Ideal for individuals with dementia or speech difficulties, it provides a simple way to communicate essential needs or messages.

[VIEW PRODUCT](#)

# TALKING WATCHES

Talking watches, such as Harkent Talking Watches, provide enhanced accessibility and convenience for individuals with visual impairments. Both watch styles feature intuitive designs that deliver clear, audible time announcements, making them ideal for those who rely on auditory cues. With automated time-setting, easy-to-read displays, and reliable voice guidance, these watches are essential tools for improving daily life and fostering greater independence.

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

# NOISE-REDUCTION EARMUFFS

These noise-reducing earmuffs are a great option for individuals with dementia who have auditory sensitivity or become easily overstimulated by noise. With a solid ABS shell, thickened foam, and an NRR 28 dB (SNR 34 dB) rating, they effectively reduce high-decibel noise, providing relief in loud environments. The soft, padded headband and adjustable ear cups ensure a comfortable fit, while the compact, folding design makes them easy to store and carry.

[VIEW PRODUCT](#)

# NECK PILLOW

The BCOZZY pillow provides double support under the chin for optimal head, neck, and chin support. It also has a flat back design to prevent a person's neck from being pushed forward in an uncomfortable manner.

[VIEW PRODUCT](#)

## NECK FAN

The JISULIFE portable neck fan is a bladeless, battery-operated fan. It weighs only 9.1oz making it a lightweight option to prevent neck strain. It also has 3 adjustable fan speeds to personalize your airflow. It can last for up to 16 hours making it great option to use at home and during outings.

[VIEW PRODUCT](#)

# WEIGHTED HEATING PAD FOR NECK SHOULDER AND BACK PAIN RELIEF

This particular heating pad measures 23"x17" and is weighted. It features 6 different heat settings and four time options with a 2-hr automatic shut-off safety function.

**Please note:** For safety, it is essential to use any heated device under supervision. Additionally, it's important to regularly inspect the person's skin to ensure their skin remains in good condition and free from any damage or irritation.

[VIEW PRODUCT](#)

## 2-IN-1 SHIATSU FOOT AND BACK MASSAGER WITH HEAT

This electric massager can be converted into a foot or back massager. It features shiatsu nodes with a switchable rotation function. It also has a 15-minute automatic shut-off safety function.

**Please note:** For safety, it is essential to use any heated device under supervision. Additionally, it's important to regularly inspect the person's skin to ensure their skin remains in good condition and free from any damage or irritation.

[VIEW PRODUCT](#)

# MICROWAVEABLE MITTENS & BOOTIES

These microwavable booties and gloves provide moist heat to the feet and hands, which can help ease stiffness and support circulation. They warm up quickly in the microwave and stay warm for about 20 minutes, offering simple comfort for cold or sore hands and feet. The booties also feature a non-slip design making them safer to walk in.

**Please note:** For safety, it is essential to use any heated device under supervision. Additionally, it's important to regularly inspect the person's skin to ensure their skin remains in good condition and free from any damage or irritation.

[\*\*VIEW PRODUCT\*\*](#)

# NECK BOOK LIGHT

The Glocusent Neck Reading Light combines versatility, comfort, and convenience with its 3 color modes—yellow, warm white, and cool white—and 6 adjustable brightness levels, perfect for activities like reading, crocheting, knitting, and more. Its ergonomic, hands-free design includes flexible arms to adjust the light angle for maximum comfort, while a blue light filter protects eyes from strain.

[VIEW PRODUCT](#)

# LED PAGE MAGNIFIER

LED page magnifier with anti-reflective coating to reduce glare and strain to the eyes. It offers three lighting options - cool, warm, or mixed. You'll need 3 AAA batteries (not included). It's a wonderful gift option for those with dementia who love reading but may find it challenging due to low vision.

[VIEW PRODUCT](#)

# HIMALAYAN SALT LAMP

This Himalayan salt lamp is hand-carved measuring approximately 4.5-5" in height and weighing 1.5-12 lbs. Known for its calming properties, it casts a soothing, multi-colored glow that's perfect for creating a relaxing environment. The lamp also serves as a natural ionizer, releasing negative ions to help purify the air.

[VIEW PRODUCT](#)

# GALAXY PROJECTOR

This galaxy projector combines LED colors and stars to create a vibrant, flowing effect on walls or ceilings, enhancing any room's atmosphere. With 7 LED background colors and adjustable brightness, it provides a customizable light show that's viewable from different angles. It is controlled using the onboard buttons or an RF remote to adjust colors, lighting modes, and speed. It even responds to sound in sound mode. A built-in timer and sleep mode allow for automatic shut-off.

[VIEW PRODUCT](#)

# ACCESSIBLE CUPS

Accessible cups can make drinking easier and safer for someone living with dementia by reducing spills, supporting a steadier grip, and helping maintain hydration. They are a simple practical gift and there's even more fun options like break-resistant wine and beer glasses.

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

# ACCESSIBLE DINNERWARE

Two accessible dinnerware sets: Power of Red Dinnerware Set (left) and Wheat Straw Dinnerware Set (right).

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

# PILL ORGANIZERS

These pill organizers offer different levels of support—from fully automated, lockable dispensing to simple visual reminders and travel-friendly designs. Each one aims to make medication timing clearer and reduce missed doses for someone living with dementia.

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

## 2-IN-1 LONG-HANDLED SHOWER BODY BRUSH

This 2-in-1 long-handled shower body brush offers the convenience of bristle brush and loofah in one. It's designed for both wet and dry brushing, helping to stimulate blood circulation, remove dead skin, and improve skin health. The long, curved, non-slip handle makes it easy to reach hard-to-access areas like the back and feet.

[VIEW PRODUCT](#)

# REACHER

34-inch extra long foldable reacher with rotating jaw. It's foldable design makes it perfect for traveling too.

[VIEW PRODUCT](#)

# ADAPTED NAIL CLIPPERS

This nail clipper set provides everything a person need for easy, at-home nail care. The extra-wide openings of the clippers make them ideal for cutting large, thick nails with ease, while the rotating head allows for easy adjustment to the perfect angle. The long handles offer a comfortable grip and require less pressure, making them suitable for both right- and left-handed users.

**Please note:** If your partner has diabetes or specific foot issues, it may be best to consult a podiatrist before they attempt to cut their own nails. Supervision or assistance may be required for others.

[VIEW PRODUCT](#)

# ORGANIZERS

Does your partner often misplace important items? Consider getting them an organizer! You can even add labels to each section to help identify items and show where to put them back.

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

# KEEPSAKE BOXES

Does your partner have precious items they like to hide and keep away from others? Consider getting them a keepsake box!

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

# RELIGIOUS GIFTS

Faith-focused gifts to help your partner stay connected to what grounds them.

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

# BOARD GAMES

Board games are a great way to have a little family fun. These games have been reimaged by Joy for All to increase accessibility for all players of varying abilities and ages. Showcased below are: Trivial Pursuit Generations (top left), The Game of Life Generations (top right), Scrabble Bingo (bottom left), and Yahtzee Slots (bottom right).

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

# BINGO GAME

This simplified Bingo set is designed to engage individuals with dementia in a fun, accessible activity. With 29 large calling cards, 54 bingo chips, and 6 double-sided boards, it includes oversized numbers (1-29) for easy visibility. The set offers two variations to adjust for different abilities and comes in a compact storage box for easy organization and travel. Ideal for group play, it provides a meaningful way for family and friends to connect. There's even an animal picture bingo version (right).

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

# CARD GAMES

Start a conversation or play a game! Showcased below are: Lyric and Idiom Matching Card Game (left), Ice Breaker Conversation Cards by Talking Point (right), and Keeping Busy Let's Chat Conversation Cards (bottom).

# KNOT BALL SENSORY PILLOW

This sensory pillow can offer a safe and discreet way to keep hands busy, helping to relieve anxiety and boredom.

[VIEW PRODUCT](#)

# THE HUG

The hug is a soft, comforting companion designed to reduce anxiety and promote relaxation. Its weighted limbs and heartbeat function provide a soothing, hug-like experience. Equipped with a built-in music player, it can play personalized playlists, enhancing the calming effect.

[VIEW PRODUCT](#)

# WEIGHTED LAP BLANKET

This leaf-shaped weighted lap (5#) blanket is crafted from soft, velvety microfiber for a comfortable, skin-friendly feel.

Designed for versatility, it can be used on the lap, shoulder, or knee, providing targeted relief for muscle tension with evenly distributed glass beads. Its leaf-inspired design adds a unique touch while maintaining full functionality. Available in multiple colors, it includes a storage box and carry bag for easy transport.

[VIEW PRODUCT](#)

# DINING SCARVES

Dining scarves provide a dignified solution for keeping clothes clean during meals.

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

# HEATED SCARF

This heated scarf package includes a soft scarf, a mobile power bank, an instruction manual, a thank-you card, and a gift box. The heated scarf is a cashmere-like texture, soft and skin-friendly, comfortable and breathable, combined with graphene heating technology to achieve a double warmth. It has an adjustable thermostat with three temperature settings—131°F, 113°F, or 95°F.

**Please note:** For safety, it is essential to use any heated device under supervision. Additionally, it's important to regularly inspect the person's skin to ensure their skin remains in good condition and free from any damage or irritation.

[VIEW PRODUCT](#)

# WHEELCHAIR BLANKET

A 36"x42" fleece blanket featuring a large pocket to keep a hand warm or to use for storage. It also has four hook and loop straps to attach to any wheelchair without worrying about the blanket falling or getting caught in the wheels.

[VIEW PRODUCT](#)

# HOODED PONCHO

A one-size fits all sherpa blanket with a hood and 2 front pockets. A perfect gift for people who are often cold. The poncho style makes it easy to take on and off.

[VIEW PRODUCT](#)

# WEARABLE BLANKET

This wearable blanket features pocket sleeves for hands-free comfort, fitting like a robe or cape. A perfect gift for people who are often cold. The robe style makes it easy to take on and off.

[VIEW PRODUCT](#)

# SHERPA BLANKET

Made from soft, durable 350GSM ultrasonic rice flower velvet, it includes two front pockets for convenience and comes in dark colors to help minimize visible dirt. A perfect gift for people who are often cold.

[VIEW PRODUCT](#)

# WOMEN'S ADAPTIVE BED JACKET CAPE

This adaptive women's bed jacket offers easy self-dressing with simple closures and zippers designed for individuals with limited mobility. It's sleeveless, draping comfortably over the shoulders for added warmth and is made from lightweight, soft fleece. It can be worn as a bed jacket, wheelchair poncho, or shawl wrap. Available in one-size with various colors.

[VIEW PRODUCT](#)

# OPEN FRONT PONCHO CAPE

This ultra-soft, cozy shawl provides all-day warmth and can be draped over any outfit. Its oversized design makes it versatile for multiple uses: wear it as a winter poncho, layer it as a long cardigan, or spread it out as a picnic blanket. Featuring an open front with tassel hem, it's a stylish, functional accessory for cooler weather.

[VIEW PRODUCT](#)

# GOWNS

The Tear Away Gown (left) and House Dress (right) offer a functional yet stylish solution for those with dressing or toileting challenges. Designed for ease and comfort, these garments provide accessible, fashionable options that make dressing and using the bathroom simpler.

[VIEW PRODUCT](#)

[VIEW PRODUCT](#)

# FUZZY SOCKS

Non-slip fuzzy socks with gripping rubber tread design to reduce risk of falls.

[VIEW PRODUCT](#)

# SLIPPERS

Promote comfort and safety around the house with slippers featuring covered heels, anti-slip soles, and cozy, fuzzy linings.

[VIEW PRODUCT](#)
